This matter is before the court on the Unopposed Motion to Continue Trial [27]. The defendant requests additional time to negotiate a resolution short of a trial. The government agrees to the requested continuance. Upon review of the docket and after inquiry with counsel, the undersigned magistrate judge finds that good cause has been shown and the motion should be granted. Accordingly,

IT IS ORDERED that the Unopposed Motion to Continue Trial [27] is granted, as follows:

1. The jury trial now set for August 30, 2021, is continued to **November 2, 2021**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and November 2, 2021**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(A) & (B)(iv).
3. **No further continuances will be granted without a hearing before the undersigned magistrate judge.**

DATED: August 27, 2021.

United States Magistrate Judge
